Testimonials

Wedding!

We had our wedding in the lodge on New Year's Eve this year! And it was amazing!

Kathryn looked after us for the lead up and on the day and she was just fabulous! Nothing was too much hassle for her and she was such a pleasure to email or call up with any queries.

The day went so smoothly without a hitch and I put this down to all the behind the scenes planning from Kathryn and her team.

We had guests coming from all over especially Australia and a lot of them stayed for 3 nights in the hotel and they all had a wonderful time using the pool and eating in the bar. They all said they would stay again.

All in all 10/10 experience!

Mr & Mrs Fitzpatrick – December 2019

Fabulous Hotel for a Wedding

We had our wedding here in October and it definitely didn't disappoint!! Kathryn was brilliant to deal with in the run up to the wedding and Madeleine was on the ball the whole day of the wedding!! They both are amazing at there jobs!! Rooms were immaculate, staff were amazing and we couldn't have asked for a better wedding day!!

Mr & Mrs Jones - October 2019

Wedding Experts

We had our wedding here in October 2019. The whole set up, is first class.... Staff, food, venue..... absolutely recommend this place ! We even stayed the next day after the wedding and got to keep the bridal suite for another night, even though they had another wedding. At the minute they are averaging 3 weddings a week. That says it all! We will be returning. one of our favorite places.

Mr & Mrs Jones - October 2019

My wedding was in September and we had a wonderful day. There was nothing we could have complained about either before or after our wedding. The staff could not do enough for my husband, myself and my guests. We were so happy with all the visits before the wedding and Kathryn couldn't be more accommodating with anything we needed done. Our wedding day was just spectacular with everything running smoothly. Nothing was an issue and everyone had an amazing time. I would highly recommend this hotel even for just a lunch time visit. Food is always to die for.
